### **Do the programs run for one day or multiple days?**

The Ages 5-10 program runs for two or three sessions. The registration fee listed for each program above includes both sessions at that venue.

### **Can I use my Government Sports Voucher to receive a discount?**

No. Unfortunately, the Adelaide Strikers Holiday Programs do not meet the eligibility criteria, so participants will be unable to register using their Sports Voucher.

### **Will I receive any further details before the first session?**

All participants will receive an email in the week prior to their first session confirming any program-specific information.

### **What happens if the program is affected by weather?**

We will do everything possible to adapt the program to avoid rain or extreme heat. If a session does have to be cancelled, families will be notified via email and provided the opportunity to participate in another session where possible.

### **We are unable to attend all sessions at our preferred venue. Can I still register?**

Yes! If you are unable to attend a session at the program for which you register, please contact us at [holidayprograms@adelaidestrikers.com.au](mailto:holidayprograms@adelaidestrikers.com.au). We will endeavour to accommodate your child at another program of your choice unless capacity is reached.

### **Are parents/guardians expected to stay at the venue for the entire session?**

No. Once your child is checked in with their coach, parents and guardians are welcome to leave and return 10-15 minutes prior to the end of the session.
